AIRCRAFT
PARTS
ON-WING**

A large nose-to-tail
inventory readily
available for
removal

WHATEVER IT TAKES

WYATT AEROSPACE

We are currently tearing down over 10 Boeing airframes

- All parts traced to 121 or 129 operators with NIS
- Our on-wing inventory includes a wide range of parts and components for the 737, 747, 757, 767, and 777 platforms
- Recent interior updates including Weber 5751 economy seats with Panasonic eXLite IFE's
- Hard to find larger parts including carriages, flap tracks and thrust reversers
- Airframes are nearby allowing for easy access and quick removal
